GOSHEN HIGH SCHOOL
GOSHEN, INDIANA

Through these halls we as students of GHS have walked many times. We will long remember these halls, classrooms, our faculty, and activities here.

Following is our resume of some of the things which we especially want to remember.

IN MEMORIAM

For three years and three months, Merle Shanklin walked with the Class of 1956 as our sponsor through the halls of Goshen High School. He guided us with the same insight and understanding he portrayed in his teaching for twenty-five years.

At the time of his death, Mr. Shanklin was head of the English Department and instructor of the American Literature, Speech, and Debate classes. His influence was felt through all the community as he was an active member of the Goshen Camera Club, Goshen Lions Club, Goshen Rifle and Pistol Club, and the Goshen Library Board. He was also a member of Phi Beta Kappa Fraternity.

As we continue through life, we will long remember Mr. Shanklin as the man under whom we learned much and who was always willing to take the time to help us.

He Marched With Us Too

Beyond the sunset, Oh blissful morning,
When with our Saviour, heaven is begun.
Earth's toiling ended, Oh glorious dawning;
Beyond the sunset, when day is done.

In the fall of '55, the Sophomores came back to the halls of GHS full of vim, vigor, and vitality. And why shouldn't they? Their Freshman year was full of fun. They had a skating party at Eby Pines, and everyone had a wonderful time minus a few blisters and floor burns. The annual campus clean-up proved to be fun and not work as they had anticipated. Miss Pat Yoder represented the Freshman class in the 1955 Relays. Mr. Charles Hart and Miss Eda Margaret Barnes were the class sponsors.

During their Sophomore year, the class of '58 obtained another sponsor—Mr. Paul Underwood.

The football concession added more money to the slowly-growing treasury. The Sweetheart Dance was not only a lot of fun but profitable as well. The sponsors and members of the class worked hard to make the Sophomore Variety Show on April 27, 1956, a stupendous production. Next year, the Sophomores will be back to take part in the life of GHS as jolly Juniors.

On September 6, the Class of 1959 wandered into the halls of GHS as green, little Freshmen. It did not take them long to get into the swing of things: they went to all the football games and dances. To get the ball really rolling and to start to fill that empty treasury, the Freshmen had the concessions of the LaPorte football game. In the early spring, a combination treasure-scavenger hunt and dance was held. At the close of the evening, they all met in the cafeteria for refreshments. Their party was a huge success. Later on, our campus became sparkling clean after the annual campus clean-up, which is a Freshman project. Miss Ethel Grogg and Mr. Don Yoder are the sponsors of the class of '59. As the year comes to an end, they are no longer green, little Freshmen, but are well on their way to becoming sophisticated sophomores.

Mr. R. A. Brinklow

The music department of Goshen High School has been under the leadership of R. A. Brinklow for the past 34 years. The year 1955 brought a new addition to Goshen High School; this was the addition of rooms solely for the use of the music department. It consists of an office for Mr. Brinklow, two instrument-storage rooms, one large practice room with permanent risers, and one small practice room.

G. H. S. should be proud of its music department. The choir, band, orchestra, and many of our ensembles and soloists consistently win first prizes in the district and state music contests.

We wish to congratulate Mr. Brinklow and his fine music department. We feel that the addition of the music rooms will make our music department even bigger and better than it has been in the past.

Large Practice Room

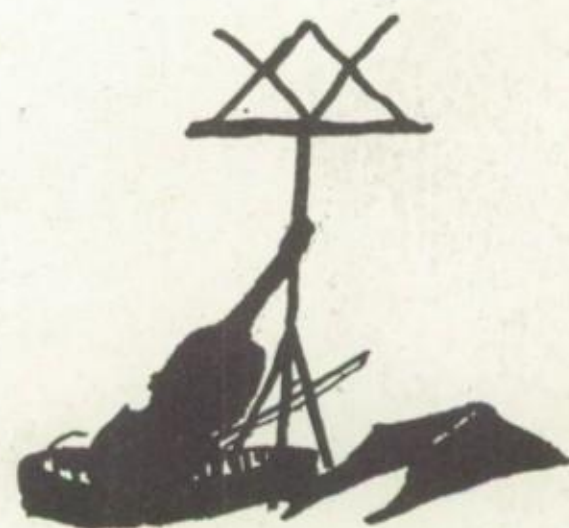

ORCHESTRA

Important school events would not be complete without the Goshen High School Orchestra. This 45-piece organization; under the excellent direction of Mr. Reginald Brinklow, provides music for the Junior and Senior class plays, the Baccalaureate, Class Day, and Graduation services.

The orchestra's members, as well as the school, benefit from the training and experience received. Each year individual members carry away high honors at the district and state music contests. They also acquire an excellent appreciation of music which they will cherish and use throughout the rest of their lives. These are some of the reasons why we are very proud of our school orchestra.

Karen and Anita put in practice time.

CONCERT BAND

Each Spring the GHS concert band presents its concert. Practice is held on Monday, Wednesday, and Friday during the second period. Special sectionals for each instrument section are held each noon. The concert band plays all types of music from popular to classical. At the concert, one of the feature attractions is a narrative by one of the members of the band accompanied by the band. Excellent musicianship and leadership are the qualities which make our band the wonderful organization which we all know it to be.

One, Two, Three, Four!

MARCHING BAND

The G. H. S. marching band was under the leadership of Dave Weaver during the 1955 football season. The band puts on a unique, half-time show at each of our home football games. Instead of going to an out-of-town game, the band decided to take part in the Purdue University High School Band Day this year. The entire band went to Purdue University in October in two buses. One hundred other bands participated with a grand total of 6,625 musicians.

One of the highlights of the 1955 marching season was the formation of droodles with the band playing corresponding music, and the twirlers doing routines to help the audience guess the droodles. The twirlers this year were Pat Stroman, Phyllis Rowell, Judy Williams, and Virginia Champion. Kohler Champion was a big help to the band by announcing the half-time shows from the announcer's stand.

The band plays for pep sessions, all the football and basketball games, and takes part in several parades each year. Students of G. H. S. and the general public often do not realize how much work and time is put into the band's playing and shows.

CHOIR

One of the largest projects of the choir is the singing of the Messiah each year at Christmas time. The 50 voice choir also takes part in the Easter Sunrise Service which is sponsored by the Hi-Y and Sunshine clubs of GHS. Other activities include participating in both the band and orchestra concerts.

The Choir Festival was held in Goshen this year with choirs of Elkhart, Laporte, and Michigan City taking part. After practicing during the day, the combined choirs gave a concert in the evening.

"THE CURIOUS SAVAGE"

The Junior Class presented the play, "The Curious Savage," on November 11 and 12, 1956, in the Auditorium. The play, a three-act comedy drama by John Patrick, was directed by Barbara Zook.

The play is a story of Mrs. Savage who has inherited from her husband a ten-million dollar estate. With the money she plans to establish the

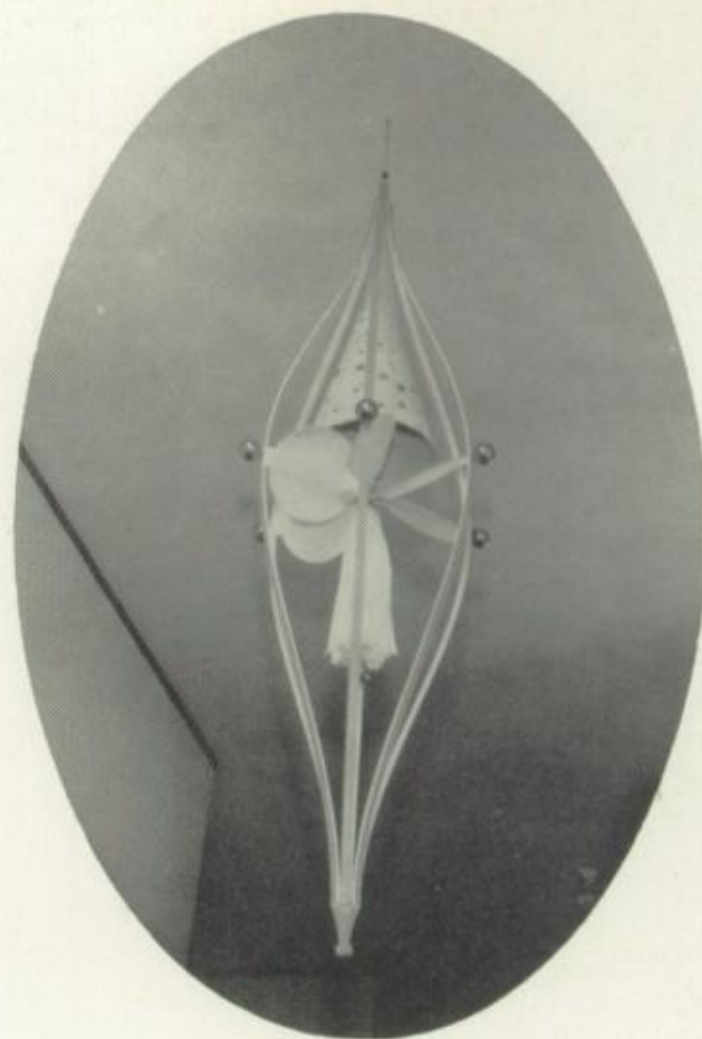

Jonathon Savage Memorial Fund, a foundation for giving money away in memory of her late husband. Her three stepchildren think she is mentally incompetent because of the way she is spending her money, so they send her to a mental rest home, "The Cloisters." Her experiences at the rest home comprise the play.

Masonic Temple To Be Scene Of Gala Dance

What will be found in the coffin which mysteriously appeared at the high school last Thursday? Holders of subscriptions to 1956 Crimson yearbooks will find out tonight at the Masquerade Ball in the Masonic Temple. Hundreds of colored balloons, cut-outs, and streamers will add a festive note to an evening of merrymaking. Dancing will begin at 8:30 to the music of the Rhythmaires, a band composed of five Mishawaka High School boys.

Features of the evening, along with the opening of the coffin, will be a sneak preview of the Elkhart game, played next Friday; a \$64,000.00 contest with a fabulous prize awarded the winner; and several novelty dances, such as the broom dance and the circle dance. The curfew hour is set at 11:30. David Plaut, chairman of the committee arranging the dance, has been assisted by Miss Marie Morgan, Phil Murray, and Phil Payne.

1955 GOSHEN RELAYS

So . . . oo tired.

"MARDI GRAS at CLUB '57"

The Mardi Gras was brought to Goshen on April 29, 1955, by the Class of '57 in the Sophomore Variety Show.

The show opened as King Rex, King of Jollity, (Jerry Keim) chose Ann Risser from the patrons of Club '57 as his queen. King Rex presided over the show and served as king of the Mardi Gras.

A pantomine orchestra consisting of Anita Hursh, Sally Sorg, Sara Schrock, Becka Bender, Dick Penn, and Dean Strycker entertained throughout the evening.

King Rex was entertained by sixteen acts. The musical acts were presented by Diane Garringer, vocal solo; Sally Sorg, saxophone solo; Anita Hursh, piano solo; Dixie Kettlebar and Sandy Davidson, guitar duet; The Foolish Five Orchestra composed of Sara Schrock, Jim Fricke, Ron Hatchet, Ron Eyer, and Dean Strycker, and a hill-billy song and act by Sally Sorg and Anita Hursh.

Tumbling was performed by Dorothy Wagner and Audrey Hession; baton twirling

by Phyllis Rowell; a monologue by Ralph Lock-
erbie, and a dance by Tom and Jane Sovine.

Four pantomines were given by the following: Sharon Berlin and Bob Salisbury; Nancy Scheidt and Becka Bender; Peggy Clapacs; and Dan Ecklebarger, and Dennis Evans.

A troupe of roller skaters was also present to entertain the king and his patrons. The skaters were Barbara Shannon, Lauralyn Rule, Judi Bontrager, and Margie Brooks.

King Rex was also very highly entertained by a surprise act. A famous sheik finally consented to permit his harem to come to the Mardi Gras and give their charming act. The Harem dancers were John Fidler (The Sultan's Favorite), Duffy Middleton, Kenneth Treesh, Larry Miller, Jim Burt, Larry Buckmaster, Tom Patton, Larry Ernsberger, and Wesley Smith.

Mrs. Vosteen, Mr. Pettijohn, and Mr. Kastner, the class sponsors, directed "The Mardi Gras at Club '57"

THE CRIMSON

The Crimson is our yearbook in which, each year, we attempt to record by word and picture our activities in Goshen High School.

The staff is selected each year from a group of students who make application in their Junior year. As Seniors they then work together gathering pictures, writing copy, typing lay-out mats, and meeting deadlines with the publishing company.

The Crimson of 1956 is the 49th Annual to be edited here at Goshen High School. Betty Jo Bechtel is the Editor and Kohler Champion, the Business Manager.

THE TOMAHAWK

THE TOMAHAWK, the high school newspaper, is distributed bi-weekly to students and faculty free of charge. This publication is a member of the Indiana High School Press Association and the National Scholastic Press Association.

Members of the Tomahawk staff must have had one semester of journalism. These students receive valuable training and experience in writing and editing copy, selling advertising, typing, stenciling, mimeographing and management.

Social activities include the initiation service in the Fall and the farewell party for the seniors in the Spring.

SUNSHINE HONOR SOCIETY

The Sunshine Honor Society serves as the center of growth and development for the Sunshine Society. It is made up of those girls who work the most diligently to help spread sunshine and achieve the club's goals.

Membership is obtained by earning a

certain number of points. The requirements are: freshmen, 400; sophomores, 800; juniors, 1100; and seniors, 1300.

The first vice-president, Charlee Jo Cosby, presides over the Sunshine Honor Society meetings.

SUNSHINE SOCIETY

The Sunshine Society this year had as its theme, "Famous Living Women." The girls desired to learn how they, too, might become successful women of the future through the study of some of the famous women of the world today.

Every Sunshine girl's goal is to carry out the society's motto, "Others," and its slogan, "Service Above Self."

The first activity of the year was a very impressive formal initiation when many new members were welcomed into the organization. In cooperation with the Hi-Y boys, a Thanksgiving and a community Easter Sunrise program was given. Christmas holly

wreaths were sold, and the profit made was the society's donation to the Riley Fund.

Throughout the school year, the Sunshine girls tried to spread cheer to those who were ill by sending cards and flowers. The teachers' rooms were brightened with flowers and plants, and the Girls' Lounge was cared for.

At the close of the year, a party was held in honor of the Senior girls.

It was a good year for the Sunshine Girls and it is hoped that the lessons of famous living women have been an inspiration and a guide for the years to come.

We, the Roman citizens, in the year MCMLV-MCMLVI are standing in judgment before the consul. Our goal has been to promote a better understanding of the Latin language and to gain a better knowledge of Roman culture and customs.

Opening the book of judgment, the consul read the citizens' activities for the previous year. New Romans became official citizens during the ceremony in which all new members were formally admitted to the club in an "Ager-Servus" ceremony.

The annual "Saturnalia" was celebrated at the Christmas Season; the Advisory Board met regularly to survey special projects and activities of the club; the club retained its membership in the State Latin Club and became affiliated with the National Club; other interesting features were a Mythical Trip to Delphi and the Roman Banquet when the citizens' enthusiasm reached its peak! At the close of the banquet, an evening of beauty and fascination, the Consul's verdict was read: "Goal accomplished!"

Our Consul, Miss Shaffer.

The purpose of Scribblers Club is to encourage creative writing by interested students and to give constructive criticism of their manuscripts.

At the meetings, which are held once a month in the school library, manuscripts written by members are read. After the reading of these papers, an informal discussion is held in which the merits and imperfections are pointed out. Several new members were accepted in the organization this year.

The highlight of the year was the program presented for guest night at the Evening Literature Club. A progressive Christmas party was also enjoyed.

Hoosier Student Library Association

The Hoosier Student Librarian Association was established to promote interest in library work.

Many activities of this organization are fun as well as educational. This year the club had a Guest Night, to which foreign students from Goshen College were invited; a coke party for the teachers during Book Week; and the annual Christmas party. Members of the club served as guides for the P.T.A. open house, attended the spring convention at Mishawaka, and sold concessions at a basketball game to earn additional funds for their treasury.

REDSKINS DROP OPENER

Gary Lew Wallace walloped Goshen 31-0. The Lew Wallace attack was led by George Rajkovich, who scored most of Lew Wallace's points. Goshen's main handicap was inexperience.

SOUTH BEND ADAMS OVERPOWERS G.H.S.

A mighty Adams team pushed over a forlorn Goshen team and gave them a 26-0 shellacking. Goshen's offense looked much better than in the previous game, even though they could not get started to move the ball near the goal line.

GOSHEN TIES THE MIGHTY CAVEMAN

The inspired Redskins tied Mishawaka 6-6. Goshen led most of the game until, with one minute to play, the Cavemen scored on a pass.

REDSKINS HALT PIONEERS

The outstanding offensive player of the evening was pint-sized John Fidler. He gained a total of 80 yards in 15 carries as the Redskins defeated Hammond Clark 7-0.

ROOF CAVES IN ON RED DEVILS

The Goshen Redskins defeated Michigan City 13-7 in a sea of mud to win their second victory of the season. Both touchdowns were made on line plunges by John Fidler.

REDSKINS DEFEAT RILEY WILDCATS

The Goshen Redskins surprised the defending Eastern Northern Indiana High School Conference champions, South Bend Riley, and handed them a 6-0 defeat. The lone touchdown was the result of an eighty-yard run by quarterback Sam Delcamp.

Go! Wart, Go!

Put your shoulder into him and smear him.

REDSKINS SCALP BLAZERS

With a crowd of 4,500 in the stands, Goshen whipped Elkart 13-6. Both touchdowns were scored on passes by Sam Delcamp to Jerry Keim and Ron Holden.

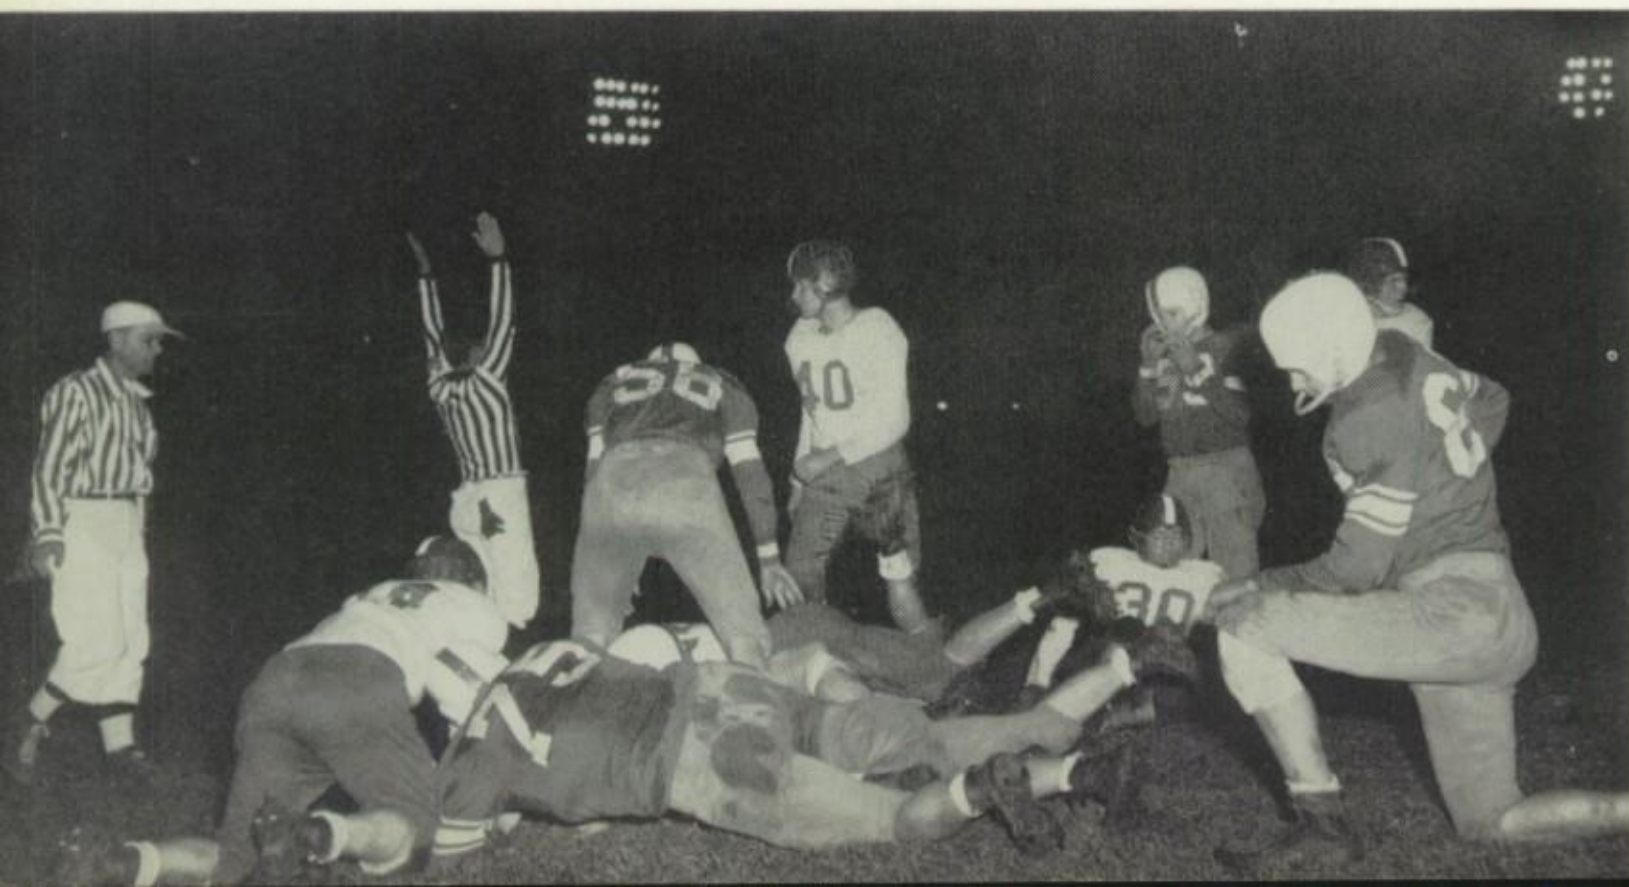

SOUTH BEND CENTRAL CHILLS GOSHEN

Held by cold weather and a powerful Central defense, the Redskins made only 86 yards against the Bears. The final score was 14-0.

REDSKINS SWAMPED BY LAPORTE

The LaPorte Slicers, aided by the fastest backfield in the conference, soundly whipped our Redskins on a very cold night, 31-6.

That's the way to snag a pass, Ron.

Tennis Record

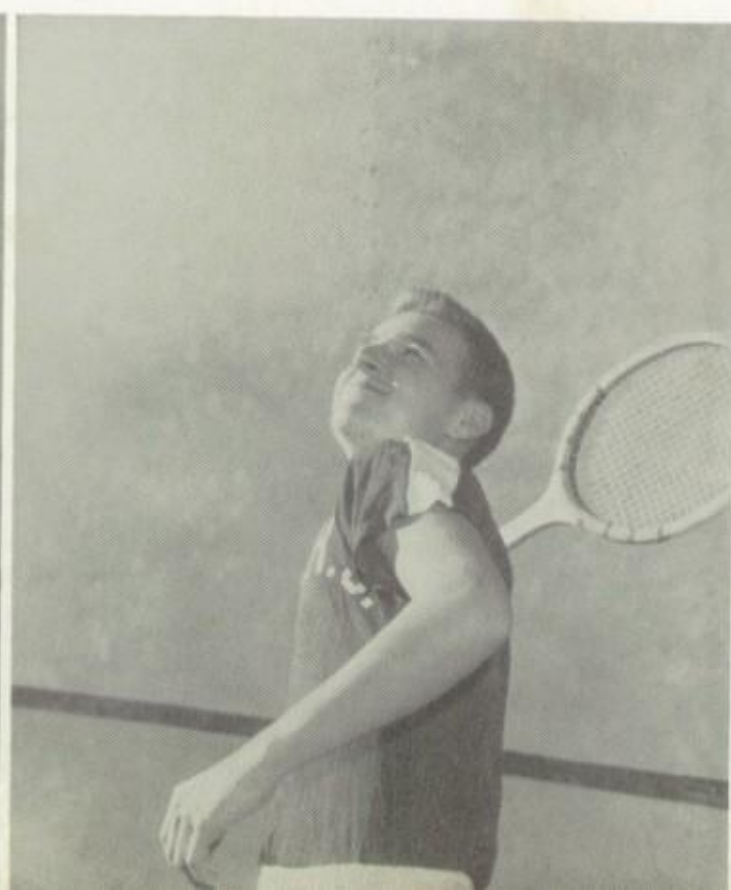

Goshen, after having a wonderful tennis season, lost to a mighty Riley team, 4-1. If they would have won this last match, the crown would be on Goshen's head and not on Riley's. During the whole season the Goshen squad took 29 singles' and doubles' matches and lost 11 singles' and doubles' matches.

The Harriers

The Goshen High School cross country did very well at the end of the season after getting off to a poor start.

They started the season off with South Bend Central losing to them. They met South Bend Adams and Laporte but lost again. On October 6, the Harriers traveled to Michigan City for an East division meet. Dave Hoke led the team by finishing third. Michigan

City took the meet by beating both Elkhart and Goshen. The following week they lost to Fort Wayne North and Mishawaka. The team wound up the season at the sectional meet at South Bend by finishing 9th.

Although the team did not do too well, they improved at every meet and one of the bright spots was the fine showing of junior Dave Hoke.

HOOSIER HYSTERIA

On November 18, a scrappy GHS basketball team opened its 1955-56 season under the direction of their new coach, Hal Peck. They won a hard fought 52-53 victory over a stubborn New Paris club. The Cubs had Goshen fans worried until almost the final minutes of the game . . . The following week the Redskins beat the Nappanee Bulldogs in an overtime thriller 58-53 . . . Goshen, hoping to finally stop the Blazer's streak, fought their hearts out but could only hit 25% of their shots. The final score was 70-46, Elkhart . . . Getting back on the victory trail, Goshen edged Howe 52-48 . . . On December 9 the Big Red trimmed the South Bend Adams Eagles 54-45. This victory was the first ENIH SC win in 29 attempts for the Redskins . . . Stubborn little Middlebury gave Goshen quite a scare in the next game. Goshen had to win the ball game in the final 5 seconds on Phil Alwine's winning basket, 46-45 . . . South Bend Central came over to Goshen thinking to win an easy game, but the Goshen lads gave them quite a scare, because Central had to fight all the way to win 59-52 . . . During the last half, Goshen boys staged another impressive comeback game by beating Warsaw 69-60. During the Holiday Tourney, Goshen squeezed by Columbia City, 53-51. But in the final game, Warsaw got back at the Big Red for the early loss and won 62-55 . . . The Redskins started off the new year by being handed a 63-59 defeat by Michigan City . . . In the following game, Goshen got back on the Victory Path by winning over the Concord Minutemen, 70-43. The Redskins completely dominated the game with 81 attempts at the basket and 28 field goals . . .

The Redskins played one of the best games seen in the GHS gym for a long time by whipping Fort Wayne North Side 73-65. Larry Essig did an outstanding job in holding down 6' 10½" Dick Bergoff . . . On January 20 GHS team racked up their third conference battle by trouncing S. B. Washington 81-57 . . .

Hemmed In

Somebody Get It

The following Tuesday night, seven Redskins combined their efforts to drub the Wakarusa Indians 65-41 . . . The Elkhart Blue Blazers continued their mastery of the Goshen Redskins by defeating them for the 33rd consecutive time—68-52 . . . The following week the Redskins lost an ENIHSC tilt against LaPorte, 78-58 in the Goshen crackerbox gym . . . The Big Red got back on the winning side by bruising Kendallville 61-47. Coach Peck let all of the boys see action in this game . . . The lowly-ranked South Bend Riley Wildcats proved to be too much for the Skins, as Riley won 67-55 . . . In the final regular game of the '55-'56 season, Goshen smashed the Mishawaka Cavemen 77-70. The Cavemen rallied in the last half to give the Goshen fans quite a scare as the season ended.

No, It's mine!

JERRY KEIM, a Junior, was a sparkplug the whole season. He would be what is called an "Iron Horse" because he would play the whole game. He also was the most consistent scorer on Goshen's team. G. H. S. fans will be glad to have him back next year.

JIM FRICKE, the big blond Junior forward, had a nice two-hand shot. When he was in, he was a good scorer. In practice, he would spin the ball on his finger; too bad he didn't do it in a game. Just think, another Goose Tatum.

What's up there?

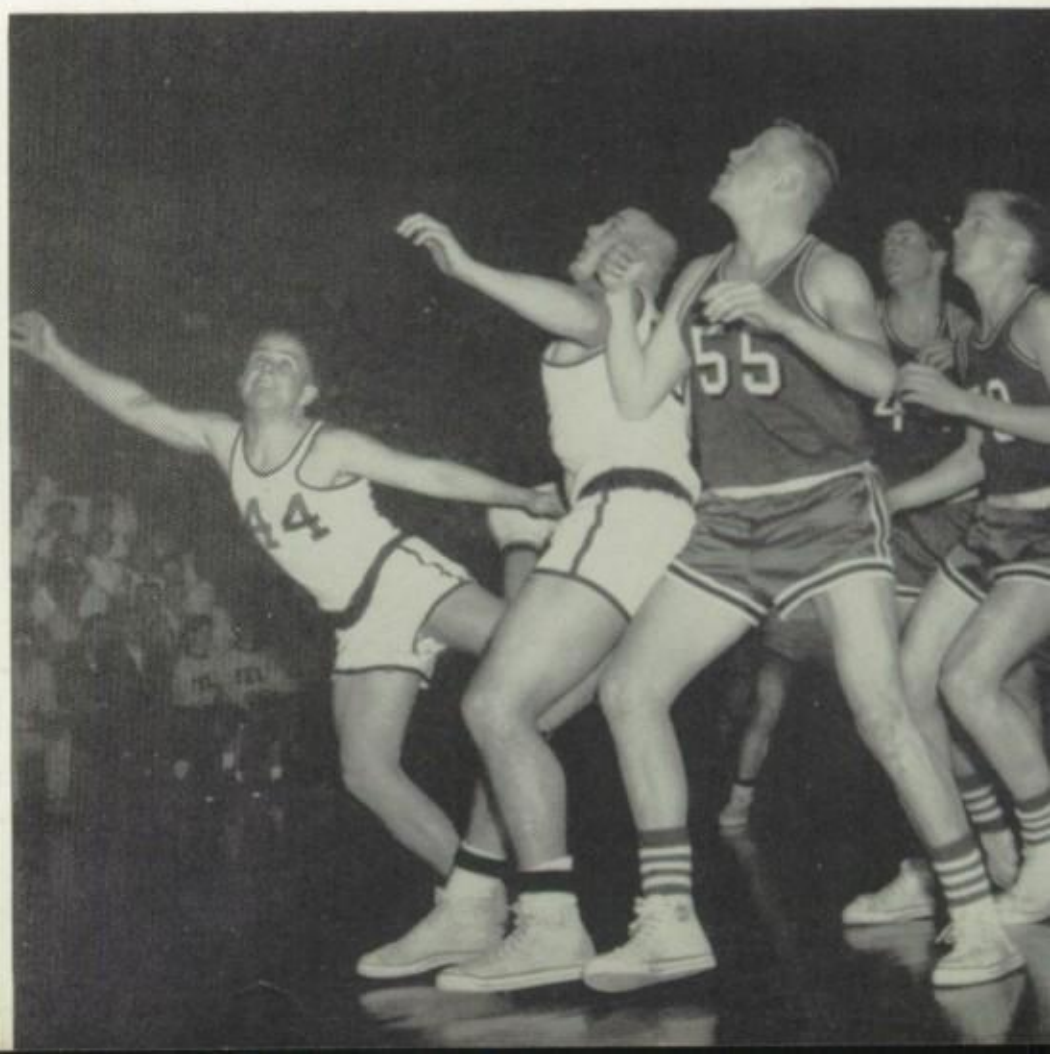

VARSITY PERSONNEL

LARRY "STRETCH" ESSIG, 6' 5" center, started the basketball season slowly. He was a bit slow in jumping up and getting the rebound. Later in the Ft. Wayne North Side game, he showed the G. H. S. fans that he could use his height to good advantage in holding down Dick Bergoff the 6' 10" center from Ft. Wayne.

CAM MC DOUGALL, a very steady Senior ball player, showed that he could hit from any place on the floor when battling visiting teams. He liked very much to dribble the ball—something a center seldom has a chance to do.

GENE INBODY, 5' 10" Senior guard, seemed to always know where the ball was going as he was usually successful in breaking up three or four of the opposing team's passes.

BOB YODER, a tall Senior guard, did not get to see too much action although he did have a nice jump shot.

WES SMITH, the all-conference football center, showed this season he could play basketball as well as football. This boy never gave up trying. We will be glad to have this all-round athlete back next year.

BOB SHERMAN, the blond mighty mite, loved to scrap. It seemed as if he could sometimes even outjump some of the big boys, as he battled for the ball.

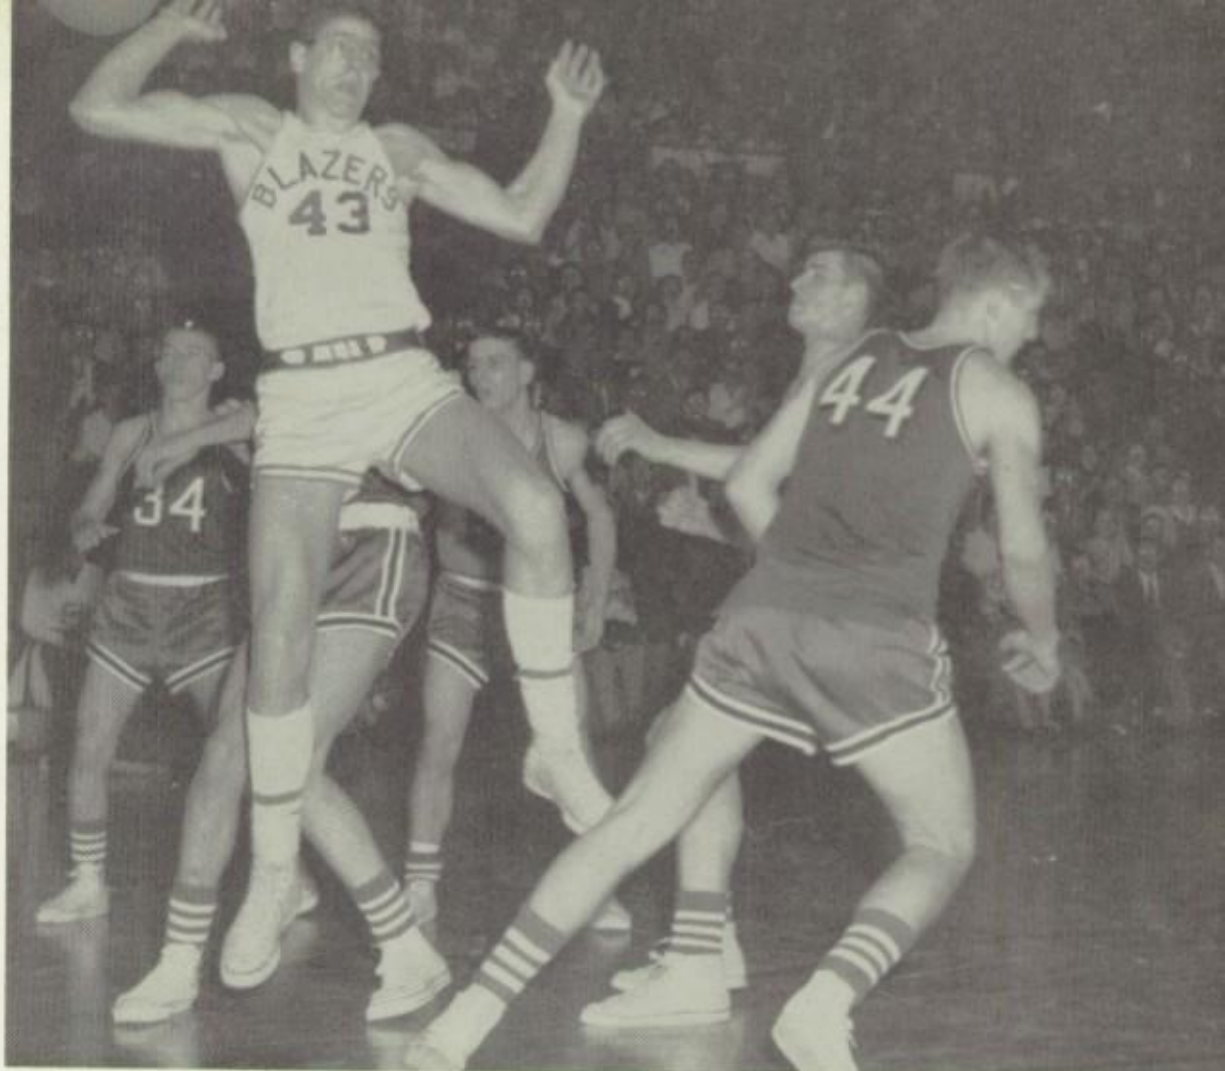

SHIP HOSTETLER, a 5' 8" Junior guard, shot from outside with a beautiful jump shot; this was his most steady shot. He made fans gasp for breath when he tried this shot.

ED SMOKER, Junior, was a very sound ball player. In the middle of the season, he had an appendectomy which stopped him from playing for over a month. However, this did not take his shooting eye off the basket.

PHIL ALWINE, a speedy Sophomore guard, showed his ability to play good basketball. He won the Middlebury ball game in the last five seconds.

TOM SOVINE, a Junior center, did not see much action but got a lot of experience on the B-team.

HAL PECK, the coach of the Goshen squad, graduated from Tulane University and came from Kewanna after coaching there for six years. He improved our team tremendously and gave us the best season we have had in 13 years. Congratulations, Hal Peck and good luck next year.

GHS DEPLORES ANOTHER LOSS

BEFORE THE GAME.

The GHS team went over to the Elkhart Sectional with high hopes of going all the way, but in the first game they were outplayed by a tough Jimton Jimmie team—54-52. The game was close and the Big Red lost in the final 7 seconds.

In the final game of the tourney, the favored Elkhart Blue Blazers won from Middlebury in the last 9 seconds—37-35.

This was one of the best tourneys we've had for a long time for the fans.

To you, our advertisers:

The 1956 Crimson is the first Goshen High School year-book to use pictures in the advertising section. We have done this in an effort to make the advertising section more attractive to our readers.

"Thanks," businessmen, for without your assistance we might be "financially embarrassed." You are the hub around which our town and school revolve. We hope that our student body will show their appreciation by patronizing you.

Our Two Best Customers

GOSHEN HIGH SCHOOL

GOSHEN, INDIANA

Spring, 1956

Dear Readers:

On behalf of the 1955-56 Crimson staff, I would like to thank all the people who have helped to make this book possible. First of all, we thank Mr. Paul Retrum and Mr. Wayne Atkinson of Inter-Collegiate Press Company for their help and interest in our book.

Mr. and Mrs. Donald Snyder have taken our faculty, senior and club pictures for us. They have been very patient in taking the pictures we wanted. Mr. Dennis Siegerfoos, photographer for the **Goshen News**, has interrupted his busy schedule to come out and take pictures around our school and action shots at our school activities. We are most appreciative of the efforts of these two photographers who have helped us secure good pictures for our yearbook. Mr. and Mrs. Ned Lacey have assisted us greatly by advising and developing the candid pictures which our own staff photographers have taken.

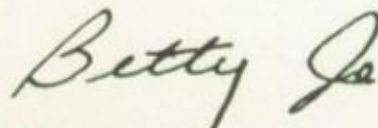

To the advertisers we extend a "hearty thanks" for their patronage. Their loyalty and assistance has made our book possible.

Mr. Starr and all the faculty have been very helpful to us. Without their cooperation, we would have been unable to get much of our material.

To Mrs. Berniece Dwyer we are very grateful for her outstanding guidance, patience, and joviality. We have appreciated her staying with us through the long hours we have spent after school planning and editing our book.

Now for my own personal acknowledgments: "Thanks, Kohler" for being a wonderful business manager. Also, I have really appreciated all the help and interest of the staff and of all the other kids who "dropped in" at our Crimson-Members-Only corner. We had loads of fun laughing and working together this past year.

Sincerely,

Betty Jo Bechtel
Editor of 1956 Crimson
